- d. Message, First US Army, AFKA-PA-R, 241930Z Aug 79, subject: RTU and MOBDES Detachments.
- e. First US Army Letter, AFKA-PA-R, 17 September 1979, subject: Reinforce-ment Training Units and Mobilization Designee Detachments (RCS No. AFKA-PA-18).
- 2. References la and b establish policy and procedures for the organization, administration, and operation of Reinforcement Training Units (RTU) and Mobilization Designee Detachments (MDD). References lc and d elaborate on problems concerning these units and stress the Major US Army Reserve Command (MUSARC) Commander's responsibility for command and management of these units.
- 3. This letter is to reiterate requirements contained in above references and to provide additional guidance in concert with First Army's intensified management of RTU and MDD. In order to enhance the effectiveness and management of these units, addressees will ensure that:
- a. Designated RTU and MDD are managed in accordance with references and insure these units are listed correctly on MUSARC rolls.
- b. RTU meet the criteria in paragraphs 2-6, 2-7, 3-28, and other pertinent portions of AR 140-1, as appropriate.
- c. MDD meet the criteria in paragraph 4-5, AR 140-145 and paragraph 2-8, and other pertinent portions of AR 140-1, as appropriate.
 - d. Each RTU and MDD has a current mission statement.

AFKA-PA-R
SUBJECT: Organization, Administration and Maintenance of Reinforcement
Training Units (RTU) and Mobilization Designee Detachments (MDP)

- e. Each MDD has a properly designated proponent agency.
- f. RTU maintain a minimum strength of ten members, except medical, chaplain, JAG, civil defense and military intelligence units which may have five; and MDD maintain minimum strength of five members. Units failing to maintain minimum strength requirements for a period of three consecutive months will be reported to this headquarters, ATTN: AFKA-PA-R, for inactivation not later than 45 days after the expiration of three months period.
 - g. Annual training programs are prepared, coordinated and on file in the MUSARC headquarters. In addition, the following selected training requirements contained in references la and b are emphasized for special attention and compliance:
 - (1) RTU will maintain the training proficiency standards prescribed for troop program units.
 - (2) RTU may be organized to train in accordance with a program prescribed for TOE or TDA unit or to perform functional type training.
 - (3) RTU annual training program will be reviewed and approved by MUSARC commanders in accordance with subparagraphs (1) and (2) above.
 - (4) RTU will not be organized for the purpose of conducting study groups. However, study group instruction may be conducted as an adjunct to the RTU's primary nonacademic mission. When study groups are conducted, the students will not be members of the RTU, nor be awarded retirement point credit for IDT assembly attendance.
- (5) MDD annual training programs will be approved by proponent agencies and/or MUSARC as appropriate. Copies of approved programs will be maintained and filed at MUSARC headquarters.
